How it works:

Drop Ship Partners typically feature our trees along with images and descriptions on their websites. When you receive an order through your own shopping cart, you will go ahead and process the order on our website and when you check out, you will provide a special code (we will send to you), in the coupon field to receive the 20% off discount. You must enter the buyers address into our 'ship to' field. It is as simple as that. We process the order and the item is usually shipped the next day via UPS.

Please fill out the form below and fax to 631-569-4202.

Please note: A valid resale certificate is required, please fax a copy of your certificate along with your application. We will get back to you within a day so you can start selling our trees on your site.

* Please note, we do not ship internationally

Looking forward to working with you.

Sincerely,

Eugene Neiro
